Sponsorship Request

Dear Sterling Colorado and Logan County Community and Business Members,

WELCOME to the 2026 Sterling Baseball Organization(SBO) season! We registered over 400 kids in 2025 and are very excited to kick off our 2026 baseball season starting in May. We know that we have a strong community and one of our goals is to involve people in different activities to be able to have a successful season.

A successful program is not possible without community sponsorship. We are a non-profit organization and there are many areas of need that do cost money. The sponsorship levels and what they include are outlined below. If you have any questions, please let a board member know.

Fees for kids will go toward the cost of field improvements and maintenance, umpires, and equipment. In previous years, our past sponsors money assisted with funding multiple projects that directly impacted the kids and community. Our goal, with your support, is that we can continue to make improvements!

We will be having several community clean-up days to get the fields ready for play. Please let us know if you have interest and what you might be able to do to help.

We look forward to a great 2026 with Sterling Baseball!!

Thank You in advance for your support of Sterling Baseball Organization

Sincerely,

The SBO Board
